Jones, the great Georgia evan-dents and Secretaries of State and t attered a thought worth think- seven-eighths of the justices of the su-

Alfred Russell Wallace caught a baby orang-o-outang.' Just like a huhere are just three classes—the man baby, it had to be fondled. He who thinks work is a curse, must croon before he would go to one who thinks it is a necessary sleep. When alone it was absolutely and the man who thinks it is a quiet. But footfalls brought on the degethe latter only is worthy of whining. Did it ever occur to you that for the most part our crying is done

Broadly speaking, freedom is not d be taken down a notch if they liberty. Nor will liberty ever be knew that it requires attendance license in the full sense of the word. divine service at least once on the I am not at liberty to do as I please. When my thought and act interferes with the rights and privileges of another I am no longer free. Freedom is always a right to obey the expressed will of the majority.

> I never pass a young man on the streets without having come to me again the far-away vision. It's the form of a beautiful young woman hovering over the form of her firstborn. And she's dreaming, toodreaming of the far-off years when her for everything except fancy was fitful slumbering baby shall be a man. And and irregular. I wonder if it's only a dream that comes to her.

> I have noticed in natural history that when a baboon gets too old to help himself the rest of the tribe forsake him utterly and will have noth. has been divided into several subing to do with him. The discovery of this woeful trait among some human beings leads us to think that Professor Darwin had an inkling of the truth when he wrote of ancestral apes and monkeys.

Some men and their aircastle dreams remind me of a story: Uncle Solon told his master that the barn was full of rats and if he just had a day off he could kill a thousand. He got the day off. About the middle of the morning the master went to the and sound don't happen to barn and found the old negro sitting at the your neighbor, you stand on a sill, half asleep. "Well, Solon. Oh, if the jar have you got your thousand yet? boly hush for one moment "Hugh, Mas' Jeems! Ef I gits dis our brants for once could really heah one and two mo' I'll hab three."

A discord is only harmony misunderstood. It is not always the silver sun that hardens the clay chord that's out of tune. The ear may The astronomer lose the power to catch the sweetest had discovered a new note. How true that is!
